For Staff Use ONLY	
Verified	Waived

**FEES** See LMC 3.104 or contact our office for current fee information.

- NOTES**
- The approval of a Right-of-Way Use Permit does not in any way replace, modify or waive any requirement for the compliance of the proposal with other applicable codes, standards, or regulations including, but not necessarily limited to, those of the Community Development, Fire or Public Works Departments. You are advised to contact these departments concerning such requirements.
  - Items with any typewritten information must be 10-point font or larger to ensure legibility of scanned documents.
  - An application may be amended only in writing.
  - Submittal of this application grants the appropriate city officials the right of entry to the project site during a reasonable hour and, upon proper identification, to the building, structure and/or premise, which is directly related to this application.
  - It is the responsibility of the owners, applicants and agents to become aware of the requirements of the Lynnwood Municipal Code.

It is the responsibility of the applicant to contact the Underground Location Center at 1-800-424-5555 (or dial 811) **48 hours prior** to starting work.

For inspections, please call the City of Lynnwood Public Works Inspection Request Line at (425) 670-8337 **24 hours before the first day of construction and 24 hours in advance** of any concrete pour or asphalt work in City Right-of-Way.

I/We certify that the information provided in this application, including all submittals and attachments, is true and correct to the best of my/our knowledge. This application does not constitute approval of permits and/or work to be performed. For specific fee information, see LMC 3.104 or check the fee schedule available online or at our office.
